75 deg. 50.926 min West Longitude

In the community of Rumbley and on the edge of the Manokin River. This cemetery has been lost to erosion and was never recorded by our group. The property is currently owned by Mark Good and Family of Crisfield, Maryland. This listing is to recognize the fact that a large cemetery did exist on this site in earlier times. We regret that we did not get here sooner. An article in the newspaper reports and iron coffin with a large glass top, and a stone near by that has the following inscription:

In Memory of
Lipporah Evans
Died
October 9th, 1854
aged 46 years.
