

Community Cemetery
Upper Fairmount

911-X27-Center

38 deg. 06' 39.2" North latitude

75 deg. 47' 48.5" West longitude

Located in the community of Upper Fairmount on Fishing Island Road 2.5 tenths of a mile north of the Ford=s Store and the intersection of Fairmount Road and Fishing Island Road. To the right or east side of the road, up a dirt private drive for about 600 feet. The site is located on a high piece of land. The cemetery is near the home sites of Capt. H. F. Chelton and Thomas E. Hall on the 1877 Atlas of the Eastern Shore. Overall impression is that this is a community cemetery because of the discrete areas marked off by fencing. Some sections are better kept than others; some sections are completely covered in ivy.
