Cottman Stones

Cokesbury, Costen Area

911-T-45-Southeast

This stone which records two burials was shown to us by Mr. Bill Cottman, who stated that his father had received this marker many years ago and it came from the "Old Cowger Place" It is the next farm to the late James Cottman place. The top is broken and missing at this time. The tombstone is being stored in a pump house on the Cottman Farm.
