Gale Cemetery ?

CRTD 12:33 13-FEB-11
Posssibly the burial site of John Gale. (African American). Census records indicate that he lived near this area. There is a burial at this site but the Headstone has been removed and only a footstone remains. The site had a small fence around the perimeter constructed of stone corners with Iron pipes for sides.
Footstone reads: J.H.G.
Listed 13 Feb. 2011 by Ed Smith, Philip L. Goldsborough and Jerry Bloodsworth
