Zadock Long Cemetery

Catalpa Farm
Princess Anne Area

Located on a farm still known as the Catalpa Farm dating to about 1825, were the home place of Zadock Long still stands 500 feet east of the graves. This cemetery is near the center of a large field just south of Taylor Branch. The land is high in this area showing 20 feet elevation on the Quad maps of Princess Anne. The burial site is in fair condition containing several large trees and moderate undergrowth. Located on an ancient patent called Davis Choice patented by Thomas Davis 20 March 1663 for 450 Acres. The land was purchased by Zadock Long in or about 1804 and remained in the Long Family until the 1970's.

Exact Location: 38 degrees 11.096' north
75 degrees 40.900 west
